

LOST

Please Help!

Dear Sir or Madam, I lost my wallet, or it may have been stolen on Sunday, November 3, 2024, in the Soho district of London, somewhere around Oxford Street or Regent Street. It is a brown wallet from the brand Fossil. My initials, BY, are on the left side of the inside. If it has been turned in to you, I would appreciate any information! My mobile number is +4915209404529 (Germany). Thank you in advance! Best regards. Burhan Yüksel
