

# LOST

## Please Help!

My daughter lost her absolute favortie stuffy a few months ago and I guess I'm hoping for a miracle and maybe someone found it. She was with her dad, possibly at Costco near Deer Valley, but also maybe the Costco on 83rd Ave OR possibly at Walmart near Happy Valley. They arent sure. ♀ It's a small white bunny that originally came with a doll from Walmart. They have since changed the look of the bunny. The new design has a floral print on the bunny's ears, so I was never able to get a true rep
