

LOST

Please Help!

Lost Cat: Has anyone seen my girl!? Her name is puss puss she is a 11 years old and a Bengal her eyes are green/turquoise! She hasn't been home since Tuesday afternoon- she is an indoor cat and goes out sometimes when i take the rubbish out or while im outside this time i didnt realise she came outside with me, I have rang rangers and vets and cat haven and no sign of her. Please can anyone around the cul-de-sac end of Templetonia rise please check your garages and sheds.
