LOST ENGAGEMENT RING - HAMLYN TERRACE I lost my 18kt yellow gold pear-shaped engagement ring with a double halo, pink sapphire rub-over, and .29ct pear diamond (Michael Hill hallmark) on Tuesday, 4th March, likely at the Hamlyn Terrace Community Centre during playgroup. I have searched everywhere—drains, sinks, artificial grass, sand, and even the chocolate mud we played with. I have also reported it to the police but with no luck. please contact me—I am desperate to get it back! ☹☹☹
