

LOST

Please Help!

Hi! I'm new to this group. I recently joined because I lost my treasured silver Pandora bracelet at Mardi Gras on Saturday night. We were watching the parade at Darlinghurst in the vicinity of The Oxford Hotel. We also attended the after-party there for a short time. We also used the portaloos in Wallis Street and then walked back along Darlinghurst Rd to The Kirketon Hotel. Photo is a bit blurry, but as you can see, it has multiple beads, including a rectangular one with the letters UTA MTW 42.
