

LOST

Please Help!

Lost a kids soft cuddly toy giraffe (often mistaken as a cow). It's white and brown. Lost it possibly on the 388 bus on 14/03/25 either headed east from mare street to Stratford between 11am -12pm or on the return journey between 3:45 - 4:30pm from Westfield Stratford to mare street. Or lost it in Westfield Stratford or somewhere along hackney road. Very precious
