

LOST

Please Help!

Hi, ya'll. We've lost our little dog. Her name is Lambchop. She's very old — 17 years — and she's partially deaf and blind. No tags, because we just recently gave her a bath. We live near the intersection of Santa Anna St and Springdale Rd. We think she wandered off our property. Please reach out to us if you've heard or seen any trace of her!
