Please Help!

I've posted over 100 flyers, knocked on doors, and spoken to many people. I will not stop until I find you, Snowflake! Please keep sharing to spread the word. Snowflake is a 17-year-old female dog, spayed, semi-blind, no teeth, no collar. If you see her, please try to pick her up and contact me immediately. She is my whole world, and I just want her home safe. HUGE REWARD IF FOUND!!! ☐☐
