Please Help!

Lost Dog. Hello, please keep an eye out for our baby boy he was outside and we beleive he jumped our wall maybe chasing a cat. He is a medium to large dog with white markings on his chest nose and paws. He goes by Buddy. He is a very friendly boy but can be very skittish. Please if you have seen him please let us know we are very worried about him. He was lost Monday night around yarbrough and pebblehills. Someone did see him on ring around the streets East Glen and Pelhem.
