Please Help!

Found dog. update: still have not located his owners 3/17 - no luck finding his owners. I'll have to bring him to an animal shelter. If anyone knows of anyone that can foster, please let me know. He's very active and loving Update: was able to get his chip ID but not having any success on obtaining his owners information. Chip ID# 595DDFEBB7. Found at the Albertsons in Horizon City, 3/9 around 7pm. Male border collie. Super friendly
