

LOST

Please Help!

Hi!! This may be a long shot, but I lost my black puffy jacket while hiking Little Falls Trail this afternoon. My car keys were in the right pocket of that jacket tho!! I'm wondering if anyone has come across it!! I will provide a REWARD!! My son, 2 dogs & I walked the trail up & down 5 times to check where I could have lost it. It was tied around my waist & must have come off. The trail gets tricky at some points with the snow. We've hiked the trail MANY times tho & know our way around.
