

LOST

Please Help!

Lost bag. Hello everyone. My traveling bag was stolen at yorkdale mall, in front of indigo today. It's a very big bluish grey bag. I was waiting for my ride and wanted to use the washroom real quick. It was too heavy for me to carry around so I ran to use the washroom and It was gone before I got back. Please let me know if anyone has seen it. It contains my personal belongings. I have attached a photo. The incident happened yesterday 11th of march 2024 at about 2pm.
