

LOST

Please Help!

Lost car. My car was stolen this morning while it was warming up in my driveway. It happened at around 7:30am on the west side of Edmonton. It's a brown 2012 honda civic with CDV 1389 (license plate). Please see attached and help share this post. If anyone sees it or has any information, please contact me or the police. Stay safe, and be careful leaving your cars unattended in this cold.
