Please Help!

Lost Wallet. Here is a cold shot but I was dropping off a friend at the kiss and ride stop at Southgate transit centre northbound Saturday evening Febuary 8th 2025. I dropped my wallet there was no money but all my ID, Fit4Less membership ect. Family photos ID willing to compensate a cash reward if anyone has it and wants to save me the hassle of paperwork. Very similar to the small black folded wallet to the one pictured below. KATRINA FORD,
