Please Help!

"Lost Phone: Hi everyone. I lost my green iPhone 15 on last Thursday (March 16) around 9pm at Bourbon Street, West Edmonton mall. The GPS shows my phone was at around the back of restaurants until Friday (very closes to the location I forgot my phone in the bench). Then, Friday night around 11:30 pm my phone was at around Sport Chek area until Saturday noon my phone was at around Galaxy Land area until Sunday morning. I couldn't understand why my phone has been in the mall 3 days. If anyone got
