SEEN/DECEASED 3/16/25 GLENDALE AREA \*\*\*\*\*STOCK PHOTO!\*\*\*\*\* I just saw a Siamese cat on the side of the Jackie Robinson in Forest Hills (Right side of parkway as you head to Glendale). It was struck by a car, and unfortunately did not survive. Incredibly upsetting, but I have to put it out there in case anyone is missing their kitty. We were driving, unable to get a picture. R.I.P. ☹☹☹
