

LOST

Please Help!

Lost cat: My cat Jin is still missing. Please if anyone has seen him in central area by memorial/newman park on Piedras Street and Altura Avenue Imk! He does not have a collar, he always loses it! He's large/black and white! Really long whiskers, is only friendly with ppl who feed him! I've been checking the shelter and nothing so far. I'm afraid someone might have taken him.
