## Please Help!

Lost Cat: Please be on on the lookout. Our indoor orange cat escaped last night. Her name is Myla. She isn't chipped. She is on the smaller side. 1 years old. So she is still a kitten. She also has a skin condition and she takes allergy medicine for it. Please pray for her safe return. This upcoming weather concerns me. My children are going to be devastated when they wake up. We live on Red Apple Ct near Granny Smith and Winesap. Thank you.
