

LOST

Please Help!

Lost Item: I think I might have lost a metal water bottle on the Go train LW line between Union and Port Credit this morning (departed at 10:47AM). It might also have been on the 507 ttc to Humber today (between 12:00-12:10) or on the 23 E in Mississauga from Port Credit to Long Branch (11:35-11:50). It's white and has the uOttawa logo + department of family medicine on it. It has a lot of sentimental value, if you find it please let me know!
