Found Dog: I found this amazing Rottweiler walking along C Avenue a few weeks ago. He is not chipped and I haven't had any luck locating his owners. He seems to be pretty young (2 years or less). I cannot keep him but am running out of options. I have been caring for him for a few weeks now and can confidently say that he is a big teddy bear, loves everyone, including my five kids and our small dog. If anyone knows who the owner is please don't hesitate to comment or message me.
