Found Dogs: Found 2 female dogs at 12 am when my fiancé stepped out to take our trash to the curb. They came out of the ditch near our house r s Bradley blvd and Debbie drive! Both have collars but no tags. Seem to be well fed but they smell like they have been out for a while Taking them to get checked for a chip right now even though I just got off of work myself, will hold them until owner is found and if not then I will be taking them to animal control in the morning. I already have 3 dogs
