

LOST

Please Help!

Lost Dog: LOST DOG. Please help, this is Ambrosia. She's my mom's 16 year old senior doggy. She's hard of hearing and sight. She was startling by something in the yard during the walk earlier and she bolted through the fence and ran off. We've been looking for hours so if anyone sees her please let me know. She responds to her name or nickname "Ambi." Neighborhood is Windermere in the Sango area off exit 11. Thank you.
