"Found Dog: Sad to report another dead doggie on the road ☹☹ (4/12) Large male tan color with black collar on, he's on the median on McCombs and sun valley in front of the 7-11 We need to do better as pet owners, this is just sad. And drivers , be careful out there and if you hit an animal, have the human decency to move it off the road. I'll post a picture of the doggie under comments for ID purposes "
