Found Dog: SEEN/DECEASED 4/13/25 QUEENS VILLAGE AREA
Very sad to report that driving eastbound on the GCP, right before exit 22 (Union Turnpike) on the right lane closer to the shoulder..... is a deceased hbc beige dog with a red coat. Looks to have been there for a few days by the way it seemed ""wet/muddy"". The dog reminded me of a corgi/terrier type, pointy nose. Impossible to stop. ☹☹
