## Please Help!

Lost Item: My father's car was stolen on 9 April. It's a white 2017 Chevrolet Traverse. Last seen: In Bonnie Doon, in the parking lot at 91st Street and 83 Ave — behind the liquor store and Value Village. License plate: A-85591 We believe it was taken by a homeless person who was roaming around the area that night (after 1AM). Please — if anyone has any information or spots the car, text us. Any help is deeply appreciated.
