

LOST

Please Help!

Lost Item: Hey, hope this is okay to post. my girlfriends son was in West Lakes catching the bus. And hes lost his phone at the staircase? He went back and spoke to the buses and they didn't see anything incase he lost it on the bus. But he was at the stairs before it. West Lakes shopping centre has been called and nothing has been handed in. He just got this phone too. Its a Black oppo. She isn't on fb, please message me if you found it or you've done the right thing and handed it in.
