

LOST

Please Help!

Lost Items: Help please! I had my car broken into in Gulfview Heights 2 nights ago and hoping the jerks ditched my daughters nappy bag and my make up purse when they realised there wasn't anything valuable in either of them. Would LOVE to have them back. I know it's a long shot, but if anyone has seen a navy blue and floral nappy bag or a grey and blue make up purse, please get in touch! Many thanks!
