## Please Help!

Lost Item: Hey guys, this is gonna be a stretch, but i was walking along south terrace today and i had unfortunately lost my Labubu, its greyish/blue (hehe) was walking around there at maybe 3:30 found out i lost it around 4pm, tried to retrace my steps but couldnt find it ☹️ . If anyone does have it or found it please me let me know ♥- the photo attached is the only proper photo i have, its the big toy on the bottom right. i know its just a toy- but these are my collection items
