Please Help!

Lost Item: Hello ☺☺☺ everyone! I am new to the group and wanted to post this because it is a heirloom engagement ring of my daughters. It was last known to be seen on the LRT in the Woodvale area stop. My daughter took it off for a moment and it was only a few hours later that we noticed it missing. It was her mother in laws ring and she is pretty devastated. If you see this ring anywhere please message me and there will be a reward.
