

LOST

Please Help!

Lost Item :Hi, Everyone, I have lost one of my gold hoop earring this morning ☹️ possibly on the Bus. I caught 920 bus from parramatta to newton street at parramatta road and caught another 544 bus from Newton street to Carnarvon Street. This is between 7:30 to 8am this morning (14/04/2025) Now I don't know on which bus it could be but it might have slipped out or fallen off of my trousers pocket when I sat down as the pocket is not that deep. I know I should not have put it in
