

LOST

Please Help!

"Lost Pet: approx 3 year old cat, goes by Kat-a-Kiss. (katakiss) Snuck out around 5/6 am. She is dearly missed and we are incredibly worried due to the cold snap. We suspect she hopped off our deck(we are on the second floor and she's done twice now), or snuck in the hall and go out. She recently had a procedure due to ear mites, on her one ear where as it's shorter then the other. She went missing from 118 and 89 Street Edmonton Alberta. Has anyone seen little Miss katakiss? She is a small cat,
