

LOST

Please Help!

Lost Item:Hi all, lost my iPhone 14 in Miami April 9th after 4pm near on the street near Jackson hospital / miller school of medicine UM. I'm devastated to think I've lost the entire first year of my son's videos. Please if you happen to see this i don't care how you got the phone I will give you a reward and ask no questions. Thank you for your time
