## Please Help!

"Lost Item: Lost Wallet - Please Help! I lost my brown wallet yesterday evening, April 10th, 2025, between 4:00 PM and 5:00 PM while cycling from around Artarmon > Chatswood > St. Leonards. Inside the wallet, there is: - My Thai ID card - Other cards from Thailand - My old memorial photos and sd card. If anyone finds it, I would be very grateful and happy to offer a reward for its safe return. Very appreciate in advance. Please, I just got here in Sydney 2 weeks ago
