

LOST

Please Help!

Lost Item : Hey all, I dropped a set of keys while on a bike ride this past Saturday. The keys are on a Japanese style mini lanyard.. big chunky Jeep key, two security fobs, and my bike lock keys. I last used them at Value Village in Mayfield common and noticed them missing at Westmount centre. I travelled along Stoney Plain Road (north sidewalk), 156 st (west sidewalk) and 111 ave (north sidewalk). I doubled back twice Saturday, but could not find them. I assumed they have been picked up.
