Please Help!

Lost Cat : I know this is a long shot but my cat Howard escaped this morning when my mom was letting her dog back in. He's fat. Very fat—so fat I can't believe he made it over the wall. Area is northeast, Navy and Cross near Railroad. His ear is clipped as he was feral when we first got him 7 years ago. Not chipped 😞. Please contact me if you see him. He's a sweet boy and not used to being outdoors. \$500 reward
