

LOST

Please Help!

Lost Item : April 25 Friday night I've lost my Caribou hid wallet has my name on it ""Christopher"" I jumped on a couple cabs from Gold Range to Lanky Court Apartments. 1st cab was City cab #17 he was rude and asked me to give him money before my destination. I left the cab right away (possibly I dropped my wallet inside before I realized) 2nd cab was Yellow cab (forgot the number) but he was cool and dropped me off at home. But I could drop my wallet.
