Please Help!

Lost Cat Hi sorry I'm posting as a last hope ! Our son's cat (catie) has been missing now for over 2 weeks I've checked out all leads and streets miles away and no hope . I'm reaching out on here as a last hope if anyone has seen him ,taken him in or knows of his whereabouts if they could please comment or message me . Our son really misses his cat and this is extremely rare occurrence that he just hasn't come home in over 2 weeks . His cat bestie also missed him ☹☹ Cloverdale : fisher street
