## Please Help!

Found Dog : This sweet girl showed up at our house last night in Dagsboro and has been with us since. She's safe, has food and water, and is being well cared for in the meantime. She's friendly and clearly knows some tricks, so we're certain someone must be missing her! If this is your dog or you recognize her, please reach out as soon as possible. If we don't find her owners soon, we will be contacting the local humane society to help her find her way home or a new one. Please share!!
