## Please Help!

Lost Item : Hello everybody, this is a message in a bottle ! Mr. Mouton, our daughter's cuddly toy 🐻, was travelling with his grandparents in New Zealand and then Australia. On 22 April 2025, he unfortunately fell out of his grandfather's backpack near Manly Beach in Sydney. He has been missing ever since. Mr. Mouton sent photos of his trip to New Zealand and Australia to our daughter every day so that Santa Claus could give her a travel book for Christmas.
