

LOST

Please Help!

Lost Item : Hi there, I'm devastated I've lost my black leather Mulberry cosmetic purse at Sydney International Airport in the toilets (I think) on Tuesday, 2 April - I purchased it in the UK and it contains some of my favourite make up pieces. If someone did pick it up I'd love them to return it to me. DM me in strict confidence. I did contact lost property at the airport. and they've let me know that it hasn't been handed in.
