## Please Help!

"Lost Dog : ..REWARD WHEN FOUND.. \*\*\*\*\*  
PLEASE if you have my Baby please get him medical care and Treatment for his tumors, skin condition and Anxiety. He desperately needs his medication. He won't stop crying until he gets it. Please at least do this to comfort him. I beg of you. He's very picky I know he's probably starving because he has a very special diet. If you won't give him back PLEASE at least do this PLEASE.
