"Found Dog : Found Dog, male Possibly bull/pitty mix Seems young. Possibly a year or younger Black/chocolate with white spot on it's neck/chest. Found on Ransburg Ave Columbus Ohio 43223 Currently inside a room in our home. Started pouring rain shortly after I got him. Will please message me if you may know who he belongs to. Currently working and partner just got home. He's knocked on a few doors with no luck on where his home may be.
