

LOST

Please Help!

Lost Item :Not a wedding ring but boosting my chances to find it. It's blurry, its the only photos of the ring that I have. But I lost this ring somewhere in Blacktown Peter Street or Blacktown Station on April 14, 2025. If someone in Western Sydney ever picked it up, please return or by any chance saw it being sold anywhere. Please let me know. It's really valuable for me as my grandma gave it to me and I have had it for a long time. I can't let go ☹️.
