

LOST

Please Help!

Lost Item : Hi everyone, I'm new to the group, and I have lost what sounds silly but is very precious to me. It's a water bottle I received on a trip some time ago. I left it on a train that departed Hurstville at 8:10 and finished at Bondi Junction. I've called the train station and logged a lost item report, but I think someone may have grabbed it. Here's a photo of what it looks like, it also has a very small penguin blu-tacked to the top. If anyone finds it please let me know!
