

# LOST

## Please Help!

Lost Item: I lost my wedding ring on my flight back to Sydney in February 2025. Contacted airport lost & found with no luck, so I'm trying various Facebook groups as the last-straw. It was a plain gold band, but I have receipts with exact size & weight details, photos, and my husband's matching ring to verify ownership. Please pm or comment if you know anything about it. Thank you!
