Found Dog : FOUND: grey and white male bulldog is anyone missing a bulldog in 23707 portsmouth, VA? i found him wandering the street this morning with a collar (no tag), a leash, and a pillowcase or blanket of some sort. unfortunately i think someone might have dumped him ☹️ i tried calling animal control and the non emergency line, but no one picked up. can anyone watch him until animal control can figure it out, i have to leave for work and don't want him to get hit by a car as i live by
