

LOST

Please Help!

Lost Cat : Hello Folks, I'm looking for my little girl Peanut. She got out 6/11 from Redwood Avenue/ Oakleigh Rd. I think she got spooked by something and lost her way with all the rain that week. I'm hoping someone has seen her in the area. She's friendly, fixed, and chipped. She is Grey and White with a patch of brown hair under her chin. My other cat Boo is missing her terribly. If anyone has information on her whereabouts inbox me.
