

LOST

Please Help!

Hi, our very small teddy bear Paul (13 cm) went missing on June 19, 2025, between the Kampenwand / Möslarnalm mountain station and the parking lot in Aschau im Chiemgau, Bavaria, and is urgently needed. Since it was a holiday, he may have been taken by tourists all over the world... and so we're now searching beyond the Kampenwand. If you've found him or have any clues, please contact us! We're very grateful for any help and for sharing our search. If a child finds the bear, we'll give two other
