

# LOST

## Please Help!

On Saturday, July 5th, Monty, our little IKEA orangutan, went missing at Vogelpark Marlow in Northern Germany. I'm sharing a photo of him in the outfit he was wearing, in case the person who found or took him sees this and has the heart to return him to his family. Monty is deeply missed — not only by his family, but also by many friends (his human family even runs an Instagram account for him and his orangutan parents and siblings). Reward is also given for safe return!
