

# LOST

## Please Help!

Old beige teddy bear lost on Fiji Airways flight 810 from Nadi Fiji to LAX Los Angeles on 18th Sept 2014 at 2:30pm. My daughter was really travel sick and we have left it on the plane. The airline can't help. I am hoping someone here can. She is so distraught. She has had since birth 11 years. We live in Adelaide and due to depart LAX on 2 Oct. Any advice you have would also be helpful. Thanks
